CENTREVILLE LAYTON SCHOOL

Summer Reading Support

At Centreville Layton School, we recognize the importance of reading, and a high-quality, research-based program is the cornerstone of our school's instruction and curriculum. Each student receives targeted reading assessments that are used to create individual reading profiles. These profiles provide our team of specialists and teachers with the data needed to provide individualized instruction for each student.

Daily instruction, delivered by certified reading specialists and classroom teachers. Our program is proud to include:

* Wilson Reading
* Lucy Calkins Writer's Workshop
* The Hochman Method-
  The Writing Revolution

With focus on the following skills:

* Literacy-based activities targeting skills in phonemic awareness
* Decoding
* Sight word recognition
* Fluency
* Vocabulary
* Comprehension
* Visualize and Verbalize
* Strategy Implementation
* Executive Functioning Coaching
