## GENERAL SCHOOL INFORMATION

*"Time is nature's way of keeping everything from happening at once." (Anonymous)*

### School Day

The school day begins at 8:30 am and ends at 3:30 pm. Students not enrolled in early care may enter the school gym any time after 8:10 am and must be picked up by 3:40 pm. Extended Day hours are available to all Centreville Layton School families:

Morning care: 7:30 am to 8:10 am

Please be aware that children not enrolled in the Extended Day Program who are dropped off prior to 8:10 am or picked up after 3:40 pm will automatically be charged the drop-in rate for morning care and after care. There is a charge of \$2.00 per minute for any child picked up after 5:30 pm. A flat fee of \$50.00 will be assessed for a child picked up after 5:45 pm and a flat fee of \$100.00 will be assessed for a child picked up after 6:00 pm. Extended Day services may be suspended or revoked if fees for late pick-up fees are assessed more than three times.

To enroll your child in the Extended Day Program, please contact the Main Office at (302) 571-0230.

**After-school sports** are scheduled from 3:30 – 4:30 PM three days a week.

### Early Dismissals

Parents need to communicate any early dismissals to Diane Daiger with as much advance notice as possible. Students may not be picked up at the Upper School Annex and parents must enter at the main office and sign-out their children at the front desk. This allows us to keep an accurate record of departures and maintain safety during dismissal.

### Attendance Expectations

**Attendance is critical to school success.** When students miss class, they are missing much more than the homework assignments; they are missing class discussions, group activities, and lab work. While paper and pencil work can be made up, class activities often cannot. Thank you for scheduling appointments outside of the school day and for scheduling family vacations during school breaks. **If students miss more than 10% of class sessions (approximately 6 classes per semester and 12 classes per year), they run the risk of not receiving academic credit for the year.**

**Upon returning from an absence, a student must submit a written note from a parent/guardian explaining the reason for the absence. Official documentation must accompany the parent/guardian note for absences as a result of legal business and/or doctors appointments.** If a student does not present a parent/guardian note containing a valid excuse within three days of returning to school, the absence will be considered unexcused.

**If a student is absent four consecutive days or longer, the student must have a note from a medical professional clearing him or her for a return to school.**

If a student is absent, **parents must call** Diane Daiger at the school office **(302-571-0230) or email** [ddaiger@centrevillelayton.org](mailto:ddaiger@centrevillelayton.org) before 8:30 AM. Students must **check TADS Educate** for any missed work and **check in with their teachers** upon return to discuss missed work.

If students are absent more **than six school days during the semester**, the Head of Middle School will contact families and set up a meeting to discuss attendance.

**Requests for discretionary (i.e., non-illness related/vacation) and/or extended** absences must be made in writing and subject to approval by the Head of Middle School.

**Academic credit will not be available** for work missed due to non-approved absences.

The academic expectations associated with extended absences due to illness will be handled on an individual basis.

Early dismissal must be communicated in advance to the main office by the parent or guardian. Valid forms of communication include; email, phone call, or note sent in with the student.

### **School Closings**

Periodically, the school will need to close due to inclement weather, etc. The school uses TADS Educate to communicate with families. The website will also contain school closing information. The radio station WSTW.com also runs school closing information for Centreville Layton School.

### **Transportation**

Currently, there are no transportation services available. Please indicate (on your emergency form) if your child will be picked up by someone other than his/her legal guardian. If your child takes the bus it is incumbent upon the parent to contact the company with any changes.

### **Lunches**

Students should bring a healthy lunch, snack, and drink daily. A **pre-order** lunch program is available. Contact Diane Daiger [ddaiger@centrevillelayton.org](mailto:ddaiger@centrevillelayton.org).

Students of Centreville Layton School may not directly order lunch to be delivered to the school. Students should participate in the school sponsored lunch program or bring their own lunch to school. If lunch is forgotten at home, the school will do it's best to provide food for the student. A lunch fee will be charged in this instance.

### Communication

Centreville Layton Middle School families may access student academic information via TADS Educate. TADS Educate is discussed in detail on page 9 of the student handbook.

- Weekly Reports parents can opt to have weekly reports sent via TADS Educate. This is done via the parent portal and will be emailed to parents and students via TADS Educate.
- Interim Reports for quarter long classes will be emailed to parents and students at the end of the first and third quarter.

## **Academic Warning & Probation**

Grade point average (GPA) is calculated at the end of each semester. The minimum GPA to be in good standing at Centreville Layton School is 1.7 with grades no less than C- in all but one class.

If a student's performance at the end of 1<sup>st</sup> or 3<sup>rd</sup> quarter falls within academic warning territory, the student's mentor will set up a meeting with the student and parents to discuss strategies to improve student learning.

### Academic Warning

- If GPA falls below 1.7 **or** if the student receives more than one course grade of less than C- on the semester report, the student will be placed on **Academic Warning**. This will be communicated with parents in writing and at a conference with the Head of Middle School.
- An Academic Plan will be drafted and implemented. Close monitoring of performance and communication between school, family & student will include:
  - Daily homework check-in/check-out with mentor
  - Participation in extra-curricular activities may be revoked
  - Weekly communication of academic standing between mentor and family

### Academic Probation

- If GPA does not reach the minimum of 1.7 **or** if the student receives more than one course grade less than C- for consecutive semester reports, the student will be placed on **Academic Probation**. This will be communicated with parents at a conference with the Head of Middle School.
- The Academic Plan implemented during Academic Warning will be revised as needed. Close monitoring of performance and communication between school, family & student will include:
  - No extra-curricular activities (including sports)
  - Weekly communication of academic standing between mentor and family
  - Daily homework check-in/check-out with mentor
  - The student will have one semester to improve GPA to a minimum of 1.7 with grades higher than D or F in all but one class.
  - Failure to reach the minimum GPA while on probation may result in dismissal.

## **Occupational/Speech/Language Therapy**

Centreville Layton School enjoys the expertise of an on staff occupational therapist and speech/language therapist.

## **Social and Emotional Support**

Dr. Len Dostillio is the Centreville Layton School psychologist. He provides professional support for students who need social and/or emotional support. Dr. Dostillio also provides teachers with resources and strategies to work with struggling students. If you have concerns about your child's social and/or emotional wellbeing at school, please contact Len Dostillio.

## ACADEMIC MATERIALS

Managing time, organizing materials (both paper and electronic) and the ability to utilize available technology is essential for academic success. To this end, each student at Centreville Layton School is required to employ three educational tools: the Master Notebook, computers/tablets, and a graphing calculator.

### Master Notebook System

Rationale: Centreville Layton's Master Notebook System provides a standard system to help students organize all notes, handouts, corrected tests, homework assignments and other materials needed for class.

#### Specifics:

- Binders and assignment books will be distributed to each student the first day of school.
- It is each **student's responsibility to replace the binder as necessary** (additional binders will be available for student's purchase).
- Students must **file everything** from class in to the binder daily.
- Archiving class-specific notebook materials will occur in each class on a regular basis.
- Overall notebook "maintenance" will occur as needed during Homework Lab.

### Computers/Tablets

The school maintains Chromebooks for Upper and Middle School students use. Students must follow the School's acceptable use policy.

### Keycards

Centreville Layton School may issue a personalized security keycard to access the buildings on campus on weekdays between 8:00 AM-4:00 PM. These keycards will allow access through two doors at the main building and one door at the mansion. Keycards should not be shared and should remain in possession of the student at all times. A lost or damaged keycard must be immediately reported to a teacher or level head. A fee of \$10.00 will be assessed for any lost or damaged keycard. Keycards must be returned at the end of the school year or upon separation from the school.

### Calculator

- Students should purchase a basic calculator for use in math classes.
- Middle School students enrolled in Algebra 1 are **required to purchase a graphing calculator for use in all math classes**. We recommend anything in the Texas Instrument TI-83 or TI-84 families.

## TADS EDUCATE

TADS Educate provides parent and student access to course assignments, course announcements, and current grades. It is the students' responsibility to **check TADS Educate daily for course assignments, announcements, and academic standing**.

To access TADS Educate please visit <https://educate.tads.com/educate/>

Upon enrollment, families will receive a signup email from TADS Educate.

## HOMEWORK PROTOCOL

Thoughtfully assign homework as an important **reinforcement** or **preview** for daily classwork. Homework provides students an opportunity to apply **study skills** and **self-regulation** strategies. It is a **critical component of Centreville Layton's program**. With this in mind homework will be assigned at the teacher's discretion and may not occur daily but instead be assigned when it is most valuable to the education of the student.

Teachers are available before school, during class and homework lab/academic support, and after school to work with students who need clarification or help with homework.

Students should use **assignment books** and/or Google Calendar to record all assignments during the school day and regularly check TADS Educate at home.

If homework completion is taking longer than expected, students should discuss this with the specific teacher.

### **Missing homework**

#### Due to excused absences:

- Students will be given the same time as absences to make up missed work.
  - If absent for one day, students will have an additional day for homework completion. If absent for two days, students will have two additional days.
  - Major assignments with long-communicated due dates may be an exception to above.
- Students should **check** TADS Educate **to review assignments and class announcements** when absent.

#### Not due to absence:

There are many reasons for non-completion of homework including problems with time, materials, and understanding.

It is important that students work with individual classroom teachers to make-up any missed assignments and work to resolve any of the above problems.

## ACCEPTABLE USE POLICY

**Rationale:** The technology resources provided by Centreville Layton School (herein referred to as CLS) are in place to **support and strengthen the academic growth** of each student. Therefore, the **school retains control** over the manner in which these resources are used.

***\*\* The use of personal devices is not permitted during school hours. \*\****

The **purpose of this policy** is to

- assure that users recognize the limitations that the school imposes on the use of technological resources and
  - require that anyone using these resources agrees to abide by local, state, national, and international regulations regarding these resources.
- 

### THE AGREEMENT

The students and families recognize that use of assigned devices, educational accounts created, and access to the Internet at Centreville Layton School is a privilege that can be revoked. Students understand that the constraints listed below are guidelines, and it would not be in the spirit of the agreement to test the limits of these guidelines.

### STUDENTS AGREE:

- to use the technology resources (hardware and accounts created) at CLS for school work and academic support.
- to refrain from **frivolous or improper use** of technology resources including, but not limited to:
  - playing games during school.
  - accessing inappropriate and/or pornographic data.
  - participating in instant messaging, chat rooms, or social networking sites.
  - exchanging e-mails for non-educational purposes.
  - Accessing peer-to-peer networks for downloading or showing of copyrighted materials.
- not to **alter any settings** on devices in a way that could cause offense or inconvenience, including any attempt to change the configuration of any software.
- to make **available for inspection** by any administrator or teacher any messages sent or received using CLS's network or equipment..
- not to use this resource for any **illegal and/or commercial** activity.
- not to introduce or knowingly allow the introduction of any computer **virus, spyware, or malware** to any CLS device or network; if I do so, I will immediately notify a member of the faculty.
- not to **download or install** material except under the direct supervision of a member of the faculty.
- to use **appropriate language** in all communications. I will not use profanity, obscenities, or any vulgar, offensive or inflammatory speech, nor will I use these resources for the purpose of harassment or humiliation.

## CHROMEBOOK POLICY

A Chromebook will be assigned to each student by serial number and used primarily on campus only. Students are responsible for the general care of the Chromebook they have been issued. The Chromebook will be checked out in the morning and returned to its charger at the end of the school day. Students may not use another student's Chromebook. If students do not correctly connect the Chromebook to the charger, they are responsible for getting the course work completed as if they had their Chromebook charged.

CLS retains sole right of possession of the Chromebook and related equipment. Chromebooks must remain free of any writing, drawing, stickers, or labels that are not the property of CLS. Students may not use "skins" to "personalize" their Chromebooks. CLS retains the right to collect and/or inspect the Chromebook at any time, and to alter, add, or delete installed software or hardware. A standard screen lock will be preset on the Chromebook and may not be changed by the student. All backgrounds set on the Chromebook should be appropriate for school and not offensive to anyone. One set of earbuds will be provided by the school. Replacement earbuds, if necessary, must be provided by the student.

CLS will provide each student a Google Apps for Education account and assign a password. This password may not be changed by the student. Students are prohibited from sharing this password with anyone else except a parent or guardian.

In addition to teacher expectations for Chromebook use, school messages, announcements, planners, calendars and schedules may be accessed using the Chromebook. Photo/Image storage on the Chromebook will be for school projects only. Storage of student personal photos or downloaded images is not allowed. Students may not download or stream music from the Internet. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Non-educational games are not allowed on the Chromebooks. The device can only be synced with the CLS Chromebook Management Console. Students may not "Jailbreak" the Chromebook.

The protective cases provided with the Chromebooks have sufficient padding to protect the Chromebook from normal treatment and provide a suitable means for carrying the device within the school. Chromebooks should always be within the protective Chromebook case when carried. Avoid placing too much pressure and/or weight (such as folders and workbooks) on the Chromebook screen.

Chromebooks that are broken or fail to work properly must be taken to the Technology Department for evaluation. If the student damages or fails to return the Chromebook and related equipment, the student will pay the repair/replacement cost of the Chromebook and related equipment.
